

# New on DVD: *The Fault in Our Stars*

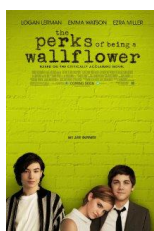

*The Fault in Our Stars* is based on the best-selling phenomenon written by John Greene. It stars Shailene Woodley and Ansel Elgort as Hazel and Gus. The two meet at a cancer support group and are immediately drawn to each other. The film is sharp, witty and heartbreaking. OCL now has a copy of the DVD. [Put a hold on it today!](#)

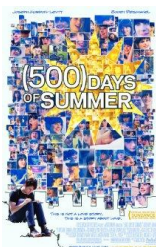

You can also put a hold on the book [The Fault in Our Stars](#).
