# g Tech Boot Camp: Goodreads

What is Goodreads?

Goodreads is a "social cataloging" website that allows individuals to freely search its database of books, annotations, and reviews. Users can sign up and add books that they have read or want to read, or are currently reading, allowing users to track their reading! They can also read or write reviews, connect with other users, or follow and get updates from favourite authors.

You can sign up using your email address and password, your Facebook, Twitter or Google account!
